15 Signs That He Likes You

How to tell if a guy is truly into you? Here's a list of 15 top signs that a guy may be interested for you to look over.

- [ ] He leans towards you whenever you are sitting close to one another.
- [ ] He smiles a lot and looks at you keenly.
- [ ] He might try to make you jealous by flirting with other girls.
- [ ] If he looks away quickly when you notice he is watching you.
- [ ] He will have a seemingly never-ending smile on his face whenever you are around him.
- [ ] He might tease you a lot, and this can especially be a massive sign he likes you when he doesn't tease other girls around him.
- [ ] He compliments and congratulates you, even when there is nothing big you have achieved to warrant praise from him.
- [ ] He rarely turns his back on you.
- [ ] He maintains eye contact with you.
- [ ] He finds an excuse to touch you whenever he has the chance.
- [ ] He will often show interest in things you like or that matter to you.
- [ ] He will be nervous around you — this is especially true if you haven't known one another for long.
- [ ] He will mimic, imitate, or try to do whatever you happen to do in the way you do it.
- [ ] He may playfully pinch your body, especially hands and cheeks.
- [ ] He starts many conversations. He asks questions and is interested in talking to you.
