NASCAR: Race Track List

See below for a list of race tracks used by NASCAR Sprint Cup racing. Under each track is the length of the track, the location (city in parenthesis), and the number of seats. You can see that the types of tracks vary from .5 mile to 2.5 mile ovals to road tracks. They also sit a very different number of fans from just over 40,000 seats to over 250,000 seats at Indy.
