9 Questions to Ask Before Hiring an Immigration Lawyer

Choosing the right lawyer is an important decision. Immigration law is becoming more complex and challenging every day. Immigration applications can be refused due to minor oversights and omissions that can be costly and delay or negatively impact your business or your family reunification plans. By not using a lawyer you can be putting your business and your family at risk.

1. How much will this cost?
2. What is your success rate?
3. I am not in Canada. How can we stay in contact?
4. Are you a licensed lawyer?
5. What kind of law do you specialize in?
6. How big is your law firm?
7. Do you have online reviews?
8. What languages do you speak?
9. Do you provide a consultation?
