Section 5: Special Considerations for Children

Agricultural employers can use this checklist to create a COVID-19 assessment and control plan for applying specific preparation, prevention, and management measures. This checklist is based on guidance from the CDC and US DOL (https://bit.ly/covid-ag-cdc-dol). *Disclaimer*: Checklist is for reference only and does not guarantee compliance with state or local regulations.

Discourage the presence of youth at the worksite.

- [ ] 1. Encourage workers to send children to childcare while working.
- [ ] 2. Establish and enforce policies that restrict children from worksites.
- [ ] 3. If you hire youth farmworkers, ensure you are following labor laws and assigning age-appropriate tasks, including as required by child labor regulations.
