Prepare Your Garden For Summer

Who doesn't love a beautiful garden? Even for those that have laid an artificial lawn it's still possible to get the all important preparation done before the sunshine arrives.....

- [ ] Start Weeding!
- [ ] Dig Over Your Beds
- [ ] Add Mulch (keeps soil moist for your plants)
- [ ] Water from Day 1
- [ ] Pest Prevention
- [ ] Plant As Early As Possible
- [ ] Get Your Edging Done
- [ ] Design For Entertaining
- [ ] Plant For Both Summer & Autumn
- [ ] Attract Beneficial Insects
- [ ] Use Plant Food
